Banrock Station Rosé *South Australia*

The Banrock Station Rosé style White Shiraz is a light, sweet style of rose resembling a decadent strawberries and cream dessert in colour, displaying fresh lifted strawberry, cherry and citrus aromas, with hints of spice. With concentrated berry flavours and a rich and creamy palate, great depth of flavour and a lingering fresh finish. It's a good thing it's perfect to drink now, as we'd be cruel to recommend you wait. We can however recommend the great feeling of helping Banrock continue to preserve their very own wetland reserve while you sip.

Brookfield's Bergman Chardonnay *Hawke's Bay*

It's hard to build a list of wines we'd call 'Extra Special' without including an elegant, aromatic Chardonnay like the Brookfield's Bergman, from Hawke's Bay's oldest boutique family winery. Light straw in colour, this 2022 chardonnay is vibrant with enticing peach, and subtle toasty oak flavours. The low acid and structure reflect the grapes' ripeness at harvest. Like Ingrid the actress, this Chardonnay is elegant and stylish - and both are appealing to the eye. Every bottle of Brookfield's wine goes best with friends, food and witty conversation.
